

REDA MAJLAL

Student looking for internship

@ redamajjal2@gmail.com +212655227110 Agadir, MA

SUMMARY

Highly motivated and tech-savvy 15-year-old student with a passion for coding and computers. Eager to leverage strong problem-solving skills, quick learning ability, and a collaborative spirit to contribute to a fast-paced internship environment. Possesses a strong foundation in various programming languages and enjoys tackling challenges related to web development, data analysis and software engineering. Additionally, excellent communication and interpersonal skills ensure seamless collaboration and project management. Seeking an internship opportunity to gain practical experience, apply knowledge, and contribute meaningfully to a team.
